## Welcome Message

Dear Honoured Delegates,

Greetings from the Department of Pharmacology  
Dr Pinnamaneni Siddhartha Institute  
of Medical Sciences & Research Foundation.

The SAGTE academy's Dr. PSIMS&RF was founded in 2002 with the goal of offering top-notch medical treatment, elite education, and cutting-edge scientific research.

We are delighted to report that our esteemed institution has been serving as a hub of excellence for medical education and skilled, ethical patient care for 20 years.

We would like to use this opportunity to extend a warm welcome to all the delegates of the 5th Andhra Pradesh Pharmacologist Society (APPS) Conference going to be held on 29<sup>th</sup> and 30<sup>th</sup> September, 2023.

From the time of its inception, APPS has been organizing an annual scientific conference APPSCON with the assistance of pioneers in the field of Pharmacology, in order to share information on the most recent developments.

The theme of the 5<sup>th</sup> APPSCON is "Scope of Pharmacology - Expanding Frontiers" which is intended to inform young pharmacologists about the field's potential from both an academic and industrial perspective.

We eagerly await the participation of all valued delegates in this academic extravaganza, and hope that with mutual cooperation and a skillful approach together as a team, we will be able to reach new heights with a joyous experience.

We sincerely welcome all delegates.

Warm Regards,  
Dr. Supriya Priyambada,  
Professor and HOD,  
Department of Pharmacology.
