APPSCON-2019

**“Pharmacology in Public Health
Perspective”**

On 6th and 7th September, 2019

Venue
AC Lecture Hall
Siddhartha Medical College,
Vijayawada, A.P

“Applied for 4 APMC credit hours”

Organised by
Depts. of Pharmacology
Siddhartha Medical College
& Guntur Medical College
in association with APPS
(Andhra Pradesh Pharmacologists society)

Dear Sir/Madam,

The field of Pharmacology is rapidly expanding. Pharmacologists play a vital role in Public health by promoting rational drug therapy to combat antimicrobial resistance, also in implementation of PvPI (Pharmacovigilance Programme of India) and proper conduction of Clinical trials. The quest for knowledge among our fraternity should never wane in shaping up the academic acumen of medical students.

APPS (Andhra Pradesh Pharmacologists Society) was started with the motive of bringing all the Pharmacologists together on one platform to enrich their knowledge on current trends in Pharmacology and drug research in turn to promote public health.

On behalf of the Organising Committee, we take immense pleasure in inviting you to participate in the 1st state level APPS conference "APPSCON-2019" with the theme of "Pharmacology in Public Health Perspective" on 6th and 7th September, 2019 at Siddhartha Medical College, Vijayawada, A.P.

In addition to guest lectures, there will be Oral and Poster presentation sessions on any topic in Pharmacology. The abstracts for Oral and Poster presentations must be in structured format (Background, Objectives, Methods, Results and Conclusion) and in MS word, not exceeding 250 words, to be sent to the given mail ID before 20th August 2019. APPS membership is must to present Oral/Poster presentation.

Mail Id: appscon2019@gmail.com

Regards,

Dr A. Meenakumari **Dr K Sankar**
Org. Chairperson Org. Secretary

Dr. B. Madhavulu **Dr. K. Solomon Raju**
APPS-Secretary APPS-Treasurer
