## About APPS

With the view to promote professional as well as individual growth in the field of Pharmacology, the APPS memorandum was confirmed by laws on 8-10-2016 & got registered on 30-07-2018. From then, APPS has been conducting yearly scientific events with the help of pioneers in Pharmacology in the name of APPSCON to provide insights in the recent advances in the Pharmacology. The very first APPSCON-19 was conducted in SMC, Vijayawada in collaboration with Guntur Medical College, followed by APPSCON-20 & 21 which were conducted virtually by Kurnool Medical college & SPMCW, Tirupathi respectively due to Covid Pandemic. Now, APPSCON-2022 will be conducted by GMC, Ongole in a Virtual Platform to explore the new horizons in Pharmacology. A website being exclusively developing for APPS, aiming for constant drug updates and e-journals followed by print journals in Pharmacology will also be started.
